**Hi there, my name is

place filled with wonderful
things to see and do, and of
course there's natural beauty
everywhere.*

*We're fortunate that our

so many talented creatives,
artists and businesses. So I've

Eat Coffee, Brunch.

If you're like me and need some caffeine to start the day, fly into [Sparrow](#) for a coffee on the go (don't forget to bring your re-usable cup), head into [Combi](#) for awesome smoothies and [Fel's Kitchen](#) for pre-made yummy salads on the go. For local, fresh, nutritious and delicious food head to [Barrio](#) in the Arts and Industrial Estate or [Folk](#), just around the corner in Sunrise.

[Byron General Store](#), [Bay Grocer](#) and [Top Shop](#) are a hop, skip & a jump away for all your coffee, pastry, burger and smoothie needs.

Out of town, a short drive away, I highly recommend the popular [Doma café](#) for awesome Japanese after a hike to the waterfalls or [Harvest](#) in the quaint hamlet of Newrybar.

For vegan options, try [@yullisbyronbay](#) or [@nobonesbyronbay](#) (also open for dinner).

Eat Drink, dine.

We are spoilt for choice for great places to eat and drink!

Enjoy a pizza after an ocean swim at [Treehouse on Belongil](#).

[Light Years](#) is my go-to for great atmosphere, modern Asian cuisine and epic cocktails. Super cute and a little slice of Greece [Kouzina](#) is a hidden gem!

[Rae's](#) is the perfect spot for late afternoon cocktails or dinner as the sun sets over Wategos. Step inside [The Mez Club](#) for Mediterranean vibes or watch the world go by while enjoying a cocktail and oysters at [Loft](#)

or the iconic [Balcony Bar](#). Sip natural wines with salty seaside snacks at [Supernatural](#), a cute laneway bar. For Spanish style tapas head to [St Elmo](#) and for classic Italian cuisine head to [di Vino](#). Book ahead for [Fleet restaurant](#), for an unforgettable intimate fine dining experience.

Byron's incredible weather and natural beauty means it's the perfect place for an outdoor adventure like diving at Julian Rocks with [Sundive](#), horse riding on the beach with [Zephyr Horses](#) and swimming or surfing at the Pass. Take 3 pieces of rubbish with you when you leave the beach [#take3forthesea](#).

Enjoy a rainforest and distillery tour of [Cape Byron Distillery](#), the home of [Brookie's Gin](#) after visiting [The Farm](#), to see where your produce is grown, and have lunch at its restaurant [Three Blue Ducks](#). Afterwards, head to [Stone & Wood](#) brewery to sample local beers.

Pamper yourself at [Comma](#) on a rainy day and visit the [Byron Bay Peanut Butter](#) store in the Industrial Estate.
